

## GIFT CARD HOLDER

This is a very handy holder to hold gift tags or cards for any occasion. Decorate for any occasion. Make out of cardstock with the gift cards to match.

PLEASE CHECK YOUR SIZES AND ADJUST.

## Gift card holder Instructions:

1. Re measure and adjust. You can redraw the template it is very easy.
2. Trace and cut out template using cardstock.
3. With a bone folder score on score lines and fold.
4. Fold the holder in half and crease with bone folder.
5. Open up template and with a corner rounder cut corners where indicated on template.
6. Fold bottom up to form a pocket and glue the side pieces over pockets.
7. Make gift cards 5 X 3 ½ decorate and fold. Put two gift cards on each side.

HAVE FUN DOING THESE.....I will have the templates at the store.
